System for Award Management (SAM)

Registration with the System for Award Management (SAM) is required by all contractors where Community Development Block Grant funds are used to pay project related costs. A contractor responsible for performance on a public facility contract with a St Clair County entity must register with SAM to allow the County to identify possible past performance reports of suspension and/or debarment activities.

The System for Award Management (SAM) is the Official U.S. Government system that consolidated the capabilities of CCR/Federal Register, ORCA, and EPLS. There is NO fee for a Contractor to register through this site https://www.sam.gov . User guides and webinars are available under the Help tab on the website.
